DENIM

We have worked closely with our jeans-supplier in Portugal for years to make the best and most comfortable jeans collection for all body shapes and sizes.

Denim is breathable, soft, and very durable, and our jeans are made in an extremely comfortable stretchy denim-quality, available in a range of different fits and shapes.

WOOL

Claire Woman designs classics for the wardrobe that will last season after season, and our exclusive merino wool is no exception.

Our selection of soft merino wool is guaranteed mulesing-free and originates from the Italian province of Biella, famed for its luxurious merino wool. Due to its heat-regulating effect, merino wool makes a perfect addition to the wardrobe – regardless of the season.

A close-up photograph of a dark blue suit jacket. The focus is on the lapel and a single gold button with a dark center. The fabric has a fine, ribbed texture. The word "TAILORED" is overlaid in large, white, sans-serif capital letters across the middle of the image.

TAILORED

Our tailored collection is timeless, classic and feminine, very comfortable, and perfect for work or to dress up or down for any occasion. The quality is so soft and stretchy that it almost feels like wearing sweats.

All items in the collection come in different fits, shapes, and designs to make the collection perfect for all body shapes, sizes, and your own personal style.
